

# The Study Area

Armin Linke

PRIMARY ELEMENTS AND THE CONCEPT OF AREA  
The Study Area

Mexico City, Mexico 1999

Armin Linke (born 1966, lives in Berlin) combines a range of contemporary image-processing technologies to blur the borders between fiction and reality. His artistic practice is concerned with the interrelations and transformative powers between urban, architectural or spatial functions and the human being's interacting with these environments.

Mountain with antennas, Kitakyushu, Japan 2006
